**Brief Summary and Statement of Need:**

The department purchased the Bethel hangar in 1988. Renovation of a vacant adjacent space previously occupied by Civil Air Patrol is necessary to accommodate department offices, a restroom, a classroom, a transient pilot resting room and/or transient aircrew quarters, and storage. Department of Public Safety (DPS) pilots need a usable space for administrative and flight planning. The facility does not have a restroom for pilots, troopers, or prisoners.

**Project Description/Justification:**

The renovation of this space will provide for 1) restroom facilities in the hangar for prisoners who must be transported across the highway to the state troopers office to use a restroom before or after their transports; 2) classroom space for training and flight planning for both state troopers and pilots; 3) floor stabilization of the former Civil Air Patrol building, 4) transient pilot and aircrew quarters, and 5) storage space for equipment utilized by pilots and state troopers in the Yukon-Kuskokwim Delta.
