Source of Revenue

Rents, fees and other proceeds received by the Department of Natural Resources in connection with the issuance of shore fisheries development leases are deposited into the account.

Restrictions on Use

The legislature may appropriate money deposited into the account for the operation of the shore fisheries development lease program by the department or for any other public purpose.

Description and History

Chapter 63, SLA 2000 (SB 283) established the shore fisheries development lease program account from rents, fees and other proceeds received by the Department of Natural Resources in connection with the issuance of shore fisheries development leases.

This fund is classified as "designated" despite language allowing expenditures for any other public purpose. The limited intent is clear and, in reality, no broader than other designated funds.
