

Water Infrastructure Improvements for the Nation Act (WIIN) Grants**FY2025 Request: \$611,000**
Reference No: AMD 65170**AP/AL:** Appropriation**Category:** Health/Human Services**Location:** Statewide**Impact House District:** Statewide (HD 1 - 40)**Estimated Project Dates:** 07/01/2024 - 06/30/2029**Project Type:** Water / Sewer / Solid Waste**Recipient:** NA**House District:** Statewide (HD 1 - 40)**Contact:** Randy Bates**Contact Phone:** (907)465-5307**Brief Summary and Statement of Need:**

The Department of Environmental Conservation (DEC) requests federal receipt authority to receive and expend federal grants applied for from the Environmental Protection Agency (EPA), Drinking Water Infrastructure Improvement for the Nation Act (WIIN). The Act was passed in 2018 for support of drinking water projects for small and disadvantaged communities but it took several years for EPA to develop and implement the grant program. Federal receipt authority is being requested to allow DEC to accept the annual grant from EPA.

Prior Funding History / Additional Information:

WIIN grants are made available through the Drinking Water Act to small, disadvantaged and underserved applicants to support water infrastructure improvements, access to clean water, and water service reliability and compliance. EPA has identified the State Revolving Fund (SRF) as the likely managing program, although the grants are separate from the capitalization loan funds. Federal appropriations have historically waived the state match requirement for WIIN grants, and therefore state match funds are

Project Description/Justification:

WIIN grants are made available through the Drinking Water Act to small, disadvantaged and underserved applicants to support water infrastructure improvements, access to clean water, and water service reliability and compliance. EPA has identified the State Revolving Fund (SRF) as the likely managing program, although the grants are separate from the capitalization loan funds. Federal appropriations have historically waived the State match requirement for WIIN grants; therefore, State match funds are needed.
