**Brief Summary and Statement of Need:**

Development and maintenance of the Office of History and Archaeology (OHA) online database for cultural resource management known as the Alaska Heritage Resources Survey/Integrated Business System (AHRs/IBS). The AHRs is a restricted inventory of all reported prehistoric, archaeological, and historic sites within the State of Alaska. The database provides the Department of Transportation and Public Facilities with easy on-line access to known cultural resource information. Work will include database programming and data entry and management.
