Project will repave and improve part of Redoubt Ave, a Soldotna-owned road, continuing to where it becomes Smith Way, a state-owned road, at Sterling Highway. This is primarily an asset management project. Project will rehabilitate sidewalks and bring into Americans with Disabilities Act (ADA) compliance. This roadway provides an important bypass to the busy intersection of Kenai Spur Highway (National Highway Performance Program) and Sterling Highway (Interstate). For travelers going south from Kenai or east from Soldotna this could be an important alternative when the intersection at Sterling Highway is compromised by traffic, crashes, and emergency events.
