

**Water Infrastructure Improvements for the Nation Act (WIIN) Grants - Emerging Contaminants****FY2025 Request: \$18,914,000**  
**Reference No: AMD 65171****AP/AL:** Appropriation**Category:** Health/Human Services**Location:** Statewide**Impact House District:** Statewide (HD 1 - 40)**Estimated Project Dates:** 07/01/2024 - 06/30/2029**Project Type:** Water / Sewer / Solid Waste**Recipient:** NA**House District:** Statewide (HD 1 - 40)**Contact:** Randy Bates**Contact Phone:** (907)465-5307**Brief Summary and Statement of Need:**

The Department of Environmental Conservation (Department) requests federal receipt authority to receive and expend federal grants applied for from the Environmental Protection Agency (EPA), Drinking Water Infrastructure Improvement for the Nation Act (WIIN) associated with the Infrastructure Investment and Jobs Act (IIJA). The IIJA includes a total of \$5 billion for the Emerging Contaminants in Small or Disadvantaged Communities (ECSDC) grant program, which focuses on addressing emerging contaminants in drinking water served by public water systems in small or disadvantaged communities. The Department anticipates \$18,914.0 in federal WIIN grants in SFY25.

**Prior Funding History / Additional Information:****Project Description/Justification:**

It is expected that this funding will be on top of the regular annual WIIN grant. EPA has identified the State Revolving Fund (SRF) as the likely managing program, although the grants are separate from the capitalization loan funds. This federal grant program does not include a requirement for a State match; therefore State match funds are not being requested, nor are they anticipated in future years.
