Project Description/Justification:

The Empowering Choice Housing Program (ECHP) provides transitional rental assistance to families displaced due to domestic violence or sexual assault. The Alaska Housing Finance Corporation (AHFC) administers program funds through the same mechanism and locations as the federal U.S. Department of Housing and Urban Development (HUD) Housing Choice Voucher program.

Program management of ECHP includes, but is not limited to:

- 1) Working directly with landlords to set up housing assistance payments for participating families;
- 2) Monitoring the number of vouchers issued in each participating community;
- 3) Tracking the number of vouchers in shopping status, leased or available; and,

4) Adjusting housing assistance payments for each participating community and their respective rental markets.

AHFC administers the program in partnership with the Alaska Network on Domestic Violence and Sexual Assault (ANDVSA) and the Council on Domestic Violence and Sexual Assault. The Alaska Network on Domestic Violence and Sexual Assault represents direct service programs and refers families and program participants to AHFC. The Alaska Network on Domestic Violence and Sexual Assault implements, maintains, and monitors Domestic Violence and Sexual Assault crisis intervention and prevention programs.

The projected outcomes are:

- Rental assistance for up to 214 households statewide, displaced from permanent housing or otherwise at risk of displacement because of a recent or reoccurring instance of domestic violence as defined by Alaska Statute, Section 18.66.990(3); and,
- Housing stability for families occupying shelters, families living in abusive households, and families living in places not meant for habitation.
